3.5 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office by 9.05am and 1.10pm each day.

3.6 School Office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Family Support Worker where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends school every day on time

Isebrook School

Attendance Policy 2024 - 2025

- Call the school to report their child's absence before 9am on the day of the absence providing the school with a clear reason for their child's absence
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting our Family Support Worker Anthea Hayes Ahayes@isebrookschool.co.uk

3.8 Students

Students are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Student Registration) (England) Regulations 2024, whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

Isebrook School

Attendance Policy 2024 - 2025

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a student is attending an approved educational activity
- The nature of circumstances, where a student is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.55am and ends at 3.05pm.

Students must arrive in school by 8.55am on each school day.

The register for the first session will be taken at 8.55am and will be kept open until 9.05am. The register for the second session will be taken at 1pm and will be kept open until 1.10pm

4.2 Unplanned absence

The student's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.55am or as soon as practically possible, by calling the school office on 01536 500030.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school may ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent notifies the school in advance of the appointment.

Please let the school office know details of any appointments and provide evidence of the appointment such as a screen shot or letter.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Isebrook School

Attendance Policy 2024 - 2025

4.4 Lateness and punctuality

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Attendance is monitored on a daily basis and any trends or patterns around lateness and punctuality will be followed up by the Family Support Worker initially to help identify reasons and offer appropriate support.

4.5 Following up unexplained absence

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the student's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school may make the decision to carry out a home visit. If the school has a safeguarding concern about an unexplained absence, they will contact appropriate agencies including where deemed necessary the police to do a welfare check.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the student was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an The Education & Inclusion Partnership team (EIPT)
- Where relevant, report the unexplained absence to the other agencies supporting the student including Social Care
- Where appropriate, offer support to the student and/or their parents to improve attendance
- Identify whether the student needs support from wider partners, as quickly as possible, and make the necessary referrals such as Early Help Assessment
- Where support is not appropriate, not successful, or not engaged with the school may decide to issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below)

4.6 Reporting to parents

Isebrook School

Attendance Policy 2024 - 2025

The school will regularly inform parents (see definition of ‘parent’, as used in this policy, in section 3.7 above) about their child’s attendance and absence levels and where there are concerns the school will do this more regularly, including inviting parents to a meeting to discuss support.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow students to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a student during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher’s discretion, including the length of time the student is authorised to be absent for.

We define ‘exceptional circumstances’ as

Exceptional circumstances are **rare, significant, and unavoidable** situations where it would be unreasonable to expect the student to attend school. These may include:

1. **Family Bereavement or Serious Illness** – Attending the funeral of a close family member or supporting a family member with a life-threatening condition.
2. **Armed Forces or Emergency Service Commitments** – Where a parent is in the armed forces or emergency services and leave cannot be scheduled outside term time.
3. **Exceptional Family Events** – Such as a parent returning from duty overseas or a one-off special event (e.g., wedding of an immediate family member).

The school considers each application for term time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteachers’ discretion.

Leave of absence will not be granted for a student to take part in protest activity during school hours.

Isebrook School

Attendance Policy 2024 - 2025

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 5 working days before the absence, and in accordance with any leave of absence request form, accessible via Isebrook School website or via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the student is attending educational provision
- If the student is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a student to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the student is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the student not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school priority will always be to work with our families and students to support improved attendance. However, as a school we will make use of the full range of potential sanctions –

Isebrook School

Attendance Policy 2024 - 2025

including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that student
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the student's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same student, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the student must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Isebrook School

Attendance Policy 2024 - 2025

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the student attends school.

They will include:

- Details of the student's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

- Students are encouraged and praised for their attendance in school
- Communication with parents to identify patterns and any emerging needs
- Our Family Support Worker will support families who are facing challenges with their child's attendance
- Attendance letters are sent to families when a student's attendance is a concern every half-term, to offer support
- Attendance meetings are held with families of those student's whose attendance continues to be a concern

7. Supporting students who are absent or returning to school

7.1 Students absent due to complex barriers to attendance

Isebrook School

Attendance Policy 2024 - 2025

Students who have complex barriers to attending will be supported to attend / return to school. This may include

- Phased returns if needed
- Referrals to external agencies for support
- Individual risk assessments
- Adjustments to timetables in some circumstances
- Home visits by Family Support Worker
- Early Help Assessment
- Liaison with the Local Authority

7.2 Students absent due to mental or physical ill health or SEND

Where a student has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that are related to the student's needs, the school will inform the local authority.

7.3 Students returning to school after a lengthy or unavoidable period of absence

Students who have needed to have prolonged periods of absence due to medical or other specific needs will be supported to return to school. This may include:

- Phased returns if needed,
- Referrals to external agencies for support
- Individual risk assessments
- Adjustments to timetables in some circumstances
- Home visits by Family Support Worker
- Early Help Assessment
- Liaise with the Local Authority

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual student, year group and cohort level.

Specific student information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Isebrook School

Attendance Policy 2024 - 2025

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify students, groups or cohorts that need additional support with their attendance, and
- Identify students whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual students, groups or cohorts that it has identified via data analysis
- Provide targeted support to the students it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to Key Stage Leaders and Class Teachers to facilitate discussions with students and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and student pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a student's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific students, where appropriate

8.4 Reducing persistent and severe absence

Isebrook School

Attendance Policy 2024 - 2025

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of students who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these students. In doing so, the school will sensitively consider some of the reasons for absence
- Consider an Early Help Assessment for a family.
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum each academic year by the Headteacher and Senior Welfare Manager. At every review, the policy will be approved by the full governing board.

10. Links with other policies
