Creating Tomorrow Trust

Trustee/Governor Code of Conduct Policy

1. Aims, scope and principles

By creating this policy, we aim to ensure that trustees/governors carry out their role with honesty and integrity, and help us to ensure our Trust/school is an environment where everyone is safe, happy and treated with respect.

The code is based on the [Academy Trust Governance Guide](#) and the [Academy Trust Handbook](#). It should be read alongside our constitutional documents (e.g. our articles of association, standing orders and any scheme of delegation). Failure to follow the code of conduct may result in disciplinary action being taken, as set out in the appendix.

Please note that this code of conduct is not exhaustive. If situations arise that are not covered by this code, trustees/governors will use their judgement and act in the best interests of the Trust and its pupils.

2. The 7 Nolan principles of public life

As trustees/governors, we will follow these [principles](#) set out by the government at all times. They apply to anyone who holds a public office:

- **Selflessness** – we will act in the public interest
- **Integrity** – we will not act or take decisions to gain financial or other material benefits for ourselves, our family, or our friends. We will declare any conflict of interests
- **Objectivity** – we will act and take decisions impartially, fairly, and on merit. We will use the best evidence and avoid discrimination or bias
- **Accountability** – we understand that we are accountable to the public for our decisions and actions. To make sure of this, we will be scrutinised where necessary
- **Openness** – we will act and take decisions openly and transparently. We will not withhold information from the public unless there are clear and lawful reasons for doing so
- **Honesty** – we will be truthful
- **Leadership** – we will actively promote and support the above principles and will challenge poor behaviour wherever it happens

In order to do this effectively, as individuals we will:
